## University of Minnesota Duluth Department of Music

In order to become a Music Major at the University of Minnesota Duluth, students must be accepted by both the University and the Department of Music. The application process is listed below.

### 1. Apply to the University of Minnesota Duluth

Complete the online University application at <http://www.d.umn.edu/admissions>

### 2. Apply to the Department of Music

Complete the online Music application by going to the following website:

<https://z.umn.edu/auditions>

Applying to the Department of Music is the same as applying for a Music Scholarship/Audition.

### 3. Schedule a Music Audition:

In order to become a Music Major, students must pass a performance audition which includes a theory placement examination.

Audition dates for the 2020-21 academic school year are as follows:

**February 20, 2021**

**March 27, 2021**

**April 24, 2021**

Audition requirements are specific to your area of study. (See “Undergraduate Audition Requirements”) Any student who receives provisional acceptance into a degree program must pass a review (usually at the end of the first semester) to receive full acceptance. That review includes recommendations of major instructors and successful completion of an applied jury. Students do not need to complete the application process for the University and the Department of Music before receiving an audition time. However, acceptance into the music program is contingent upon full acceptance to the University.
